2016 USSA Freestyle Junior Nationals Athlete,

Congratulations on qualifying for the 2016 USSA Junior National Championships. As a young USSA athlete, this is a great achievement and honor. Without the hard work and dedication that you have poured into your training and preparation, this would not have been possible. Congratulations on achieving this level of athletic success!

The USSA Junior Nationals are a major steppingstone in your athletic career. Great champions like Hannah Kearney, Lindsey Vonn, Billy Demong and Kikkan Randall all began their careers by working through the USSA pipeline with Junior Nationals being an important step.

As a USSA athlete, you are part of an organization with a Best in the World vision. The Junior Championships are an opportunity to show family, friends and your USSA club that you're ready to move up the ladder and achieve greater goals.

As you head to the Junior Nationals in the next few weeks, take the time to prepare yourself athletically and enjoy all that the event has to offer. It's a time to meet new friends and share the experience with others.

Finally, while at Junior Nationals this year take a minute to thank the volunteers and resort hosts. They have invested countless hours to ensure that your event is a success. A short thank you from an athlete means a lot to them.

I know that you will compete to the best of your ability and wish you luck!

Sincerely,
