**UNITED STATES SKI AND SNOWBOARD ASSOCIATION
ASSUMPTION OF RISK AND RELEASE OF LIABILITY – READ CAREFULLY BEFORE SIGNING**

I understand that skiing and snowboarding in their various forms, as well as preparation for, participation in, coaching, volunteering, officiating and related activities in alpine, nordic, freestyle, adaptive, and snowboarding competitions and clinics (hereinafter collectively referred to as "Activities"), involve many **RISKS, DANGERS and HAZARDS**. These risks, dangers and hazards include, but are not limited to, changing weather and snow conditions, variations in steepness or terrain, natural and man-made obstacles and structures, equipment failure, collisions with objects or structures, being struck by skiers/riders or equipment, and exceeding one's own abilities. I further understand that **INJURIES OF ALL TYPES ARE A COMMON AND ORDINARY OCCURRENCE of the Activities**. I know that the risk of **SEVERE INJURY** and even **DEATH** exists in all training and competition locations and activities, including free skiing and riding. I also know that personal training, coaching, instruction, supervision and enforcement of rules by the United States Ski & Snowboard Association, its subsidiaries, affiliates, officers, directors, volunteers, employees, coaches, contractors and representatives, local ski clubs, competition organizers and sponsors, and ski and snowboard facility operators (hereinafter the term "USSA" shall be used to refer to all such persons and entities collectively) do not and cannot guarantee my safety.

With full knowledge and understanding of the **RISK OF SEVERE INJURY AND DEATH** involved in ski and snowboard training and competition, **I FREELY AND VOLUNTARILY ACCEPT AND FULLY ASSUME THE RISK THAT I MAY SUFFER TEMPORARY, PERMANENT OR EVEN FATAL INJURIES**, even if I follow the instructions or advice of USSA.

In consideration of USSA's acceptance of my membership application, and in spite of the risk of severe or permanent injury, or even death, the undersigned (hereinafter "Member") agrees to comply with and be bound by the following terms at all times, whether training or practicing for competition, or in competition.

2. Member hereby **RELIEVES USSA OF ANY DUTY TO PROTECT MEMBER FROM HARM** in connection with any Activities in which USSA is involved in any way.
3. Member authorizes USSA to obtain medical care for, or transport him/her to a medical facility or hospital if, in the opinion of USSA, medical attention is required and Member is unable to make such decisions for himself/herself. Member agrees to pay all costs associated with such medical care and related transportation and shall **DEFEND, INDEMNIFY AND HOLD HARMLESS** USSA of and from the consequences of such decision and from any such costs incurred relating to the provision of medical care. Member also authorizes disclosure of protected medical information necessary to provide, coordinate or manage member's healthcare consistent with the dictates of HIPAA and to the extent that such use or disclosure is required by law.
4. Member agrees never to utilize any run, course or facility for any training, practice or competition without first conducting his/her own thorough visual inspection of the run, course or facility.
5. This Agreement shall be construed in accordance with, and governed by the substantive laws of the State of Colorado, without reference to principles governing choice or conflicts of laws. In addition, Member agrees that all lawsuits for personal injury or related loss against USSA must be maintained in state courts sitting in Summit County, Utah or federal district courts sitting in the District of Utah, Central Division, and Member consents and agrees that jurisdiction and venue for such proceedings shall lie exclusively with such courts. USSA Concussion Policy for Members

Any USSA athlete under the age of 18 years suspected of having sustained a concussion or traumatic head injury must be removed immediately from participation in USSA sporting event (e.g. sanctioned training, practice, camps, competitions or tryouts), by the Technical Delegate or USSA member coach overseeing such sporting event. The minor athlete will be prohibited from further participation until evaluated and cleared in writing to resume participation in USSA sporting events by a qualified health care provider trained in the evaluation and management of concussive head injuries. The health care professional must certify to USSA in the clearance letter that he/she has successfully completed a continuing education course in the evaluation and management of concussive head injuries within three years of the day on which the written statement is made.

Upon removal of a minor athlete from participation for a suspected concussion or traumatic head injury, the USSA TD or member coach making the removal must inform USSA Competition Services. Athletes who have subsequently been medically cleared to resume participation must provide such medical clearance (as described above) to USSA Competition Service in order to be permitted to participate in USSA sporting events.

About Concussion

A concussion is a type of traumatic brain injury (TBI) caused by a bump, blow, or jolt to the head. Concussions can also occur from a fall or a blow to the body that causes the head and brain to move quickly back and forth. Doctors may describe a concussion as a “mild” brain injury because concussions are usually not life-threatening. Even so, their effects can be serious.

Risk of Continued Participation

A repeat concussion that occurs before the brain recovers from the first—usually within a short period of time (hours, days, or weeks)—can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in edema (brain swelling), permanent brain damage, and even death.

The USSA recommends that Members review the Center for Disease Control’s resources on concussion awareness at the following link:

http://www.cdc.gov/concussion/HeadsUp/online_training.html

USSA SAFESPORT POLICY AND DEFINITIONS

Purpose of the Guidelines

As National Governing Body and steward of our sport, USSA has published this document to assist its clubs, coaches, and team leaders in recognizing unacceptable behavior and acting to prevent or correct it.

These guidelines are not intended to serve as legal advice or to supplant legal definitions of abuse and harassment that vary depending on jurisdiction. Instead these guidelines are designed to raise awareness of areas of concern.

USSA considers all coaches, officials, staff and club leadership to be “mandatory reporters” to appropriate authorities (police or child protective services bureaus) if child physical or sexual abuse is suspected. If such conduct is suspected, it is not your responsibility to investigate, rather report your suspicions to the authorities immediately.

Definition of a Child

For the purpose of these guidelines, a child is defined as anyone under the age of 18 years.

Types of Misconduct Prohibited by USSA

Here, we identify six primary types of misconduct:

- Sexual Misconduct, including Child Sexual Abuse
- Emotional Misconduct
- Physical Misconduct
- Bullying
- Harassment
- Hazing

A. APPLICATION

This Policy applies to:

- USSA employees, coaches, officials, volunteers, board members, committee and task force members, and other individuals in a position of authority over minors (hereinafter “constituents”).

B. COMMITMENT TO SAFETY

The USSA is committed to creating a safe and positive environment for athletes’ physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

The USSA recognizes that the process for training and motivating athletes will vary, but it is nevertheless important for everyone involved in sport to support the use of motivational training methods that avoid misconduct.

C. PROHIBITED CONDUCT

Constituents shall refrain from all forms of misconduct, which include:

- Child sexual abuse
- Sexual misconduct
- Emotional misconduct
- Physical misconduct
- Bullying
- Harassment
- Hazing.

Child Sexual Abuse

- (1) All sexual interactions between an adult and a minor athlete or participant, regardless of whether there is deception or the minor athlete or participant understands and agrees to the sexual nature of the activity. Under the law, minors are legally incapable of consenting to sexual activity with an adult.
- (2) Any act or conduct described as child sexual abuse under federal or state law.

Exception

None

Examples

Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

Emotional Misconduct

- (1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete or participant, regardless of age. Non-contact behaviors include:
 - a. verbal acts
 - b. physical acts
 - c. acts that deny attention or support
- (2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

Exception

Emotional misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

Examples

Examples of emotional misconduct prohibited by this policy include, without limitation:

- (1) **Verbal Acts.** A pattern of verbal behaviors that (a) repeatedly attack an athlete personally (e.g., calling them worthless, fat or disgusting) or (b) repeatedly and excessively yelling at a particular participant or participants in a manner that serves no productive training or motivational purpose.
- (2) **Physical Acts.** A pattern of physically aggressive behaviors, such as (a) throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows or other objects.
- (3) **Acts that Deny Attention and Support.** A pattern of (a) ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

Note: Bullying, harassment, and hazing, defined below, often involve some form of emotional misconduct.

Exceptions

Physical misconduct does not include professionally-accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports, but have no place in swimming.

Examples of physical misconduct prohibited by this Policy include, without limitation:
